Russian Deputy Minister of Interior, Mr. Suhodolsky, visits U.S. Country Pavilion organized by Equity Intl. in Moscow in October, 2005

Equity International is pleased to invite you to participate in the Mission to Russia, part of **The U.S. Homeland Security Trade Mission to Ukraine and Russia**, the 3rd homeland security delegation to Eastern Europe organized Equity International.

Russia's three-year draft budget, passed in 2005, pays special attention to defense and homeland security. According to the Economist Magazine, Russia has budgeted \$24billion for defense (and homeland security) in 2006, a rise of 22%.

Don't miss this unique opportunity to showcase your innovative technologies and services directly to key Russian government officials. Since the collapse of the Soviet Union, former Soviet republics are increasingly turning to the world market for defense and homeland security hardware and technologies.

Now is the time to enter the Russian defense and homeland security marketplace. Join us in the U.S. Pavilion at one of the biggest and most prominent security exhibitions in Europe – the **InterPolitex Forum**.

Supported by the **Russian Prime Minister, Mr. Michail Fradkov**, and organized by the Russian Government, the Forum will be attended by high ranking officials from the executive authorities of the Russian Federation and other CIS countries. The exhibition will feature some **500 exhibitors** and **30,000 attendees** from **40 countries**.

U.S. Trade Mission participants are invited to:

- Exhibit in the U.S. Pavilion at the **InterPolitex Forum**
- Present your security solutions to top Russian government officials from government security, law enforcement and emergency preparedness who are scheduled to visit U.S. Pavilion
- Attend conferences and workshops organized by the CIS Antiterrorism Center
- Participate in the "National Security" contest on best innovative technology solution, conducted at the Forum
- List corporate profile in the Official Forum Catalog (over 30,000 copies distribution)
- List corporate profile in the Official U.S. Trade Mission Catalog distributed by Equity International to Forum's visitors

Russia's Key Government Officials about the Interpolitex Forum:

B. Gryzlov, Speaker of the State Duma of the Russian Federation:

...International Forum "Interpolitex" has won well-earned reputation on the part of professionals as well as on the part of manufacturers of special and military equipment as one of the best specialized forums of police equipment in the world. This is confirmed by the steady growth of Russian and foreign participants as well as official guests and visitors of the Forum...

S. Ivanov, Minister of Defense of the Russian Federation:

"...Carrying out the Interpolitex International Exhibition should be considered as an important and timely event. The events taking place within the frameworks of the Exhibition demonstration program are efficient form of development of military and technical cooperation between Russia and foreign states. ..."

N. Patrushev Director of the Federal Security Service

"...Ensuring state security is the priority task of the law-enforcement structures, and that's why the Exhibition will focus on issues of improvement of the existing system of public security and further development of interaction and cooperation between manufacturers and users of the special-purpose technologies and equipment...The Exhibition will help consolidate efforts of all state security ensuring bodies and agencies in their struggle with the international evil..."

S. Shoigu, Minister of the Russian Federation for Civil Defense, Emergencies and Disaster Relief:

"...The Interpolitex International Forum is very important and well-timed event. The multifunction activities in the field of insuring safety of population and territories can not be based on the current needs but should have a purposeful program concept to achieve positive changes. I am sure that the Interpolitex Forum results will be in great demand and put into practice."

M. Dmitriev, Director of the Federal Service for Military and Technical Cooperation:

*"... The Interpolitex Forum is highly regarded event as the best Forum on issues of ensuring state security and personal safety and protection, is a particularly efficient tool in the improvement of marketing activities in the sphere of military and technical cooperation...
....this exhibition is one of the most significant events of the year for development of the international partnerships of the Russian Federation in ensuring security and stability in the European Region and in the world community as a whole."*
